

We are Canton!
Home of the
WARRIORS

Lights on Canton celebrates all Canton sports and all athletes big and small! Our goal is to raise \$250,000 to bring permanent lights to the CHS/CMS track and field complex. Help us achieve that goal and leave a lasting legacy for your family or organization by purchasing a brick for our beautiful new patio. Your brick will be placed in our 30' x 30' patios which sits proudly front and center of the Athletic Complex and features a bold "BIG C" design.

Our small (4" x 8") red bricks at \$100 pack a big punch with plenty of space for a whole family of names, or a short message. Supersize the red brick (8" x 8") and you get 5-6 lines of text and a choice of clipart from the library below.

The options are many - recognize your child's particular sport, musical ability or use the amazing Canton logo for a big statement of Canton pride. Remember a loved one, thank a special teacher/coach or recognize a recent or future graduate! Located inside the "BIG C" is the premiere location with handsome grey bricks for \$750 which come with 6 lines of text.

Thank you very much for helping illuminate Canton for generations to come!
